

# LIGHTING WORKSHOPS

@ ALT-HOUSE

## LIGHTING WORKSHOP A – 4HRS

### BEGINNER BASICS

A hands on session for photographers wanting to learn from the start. We'll teach you about camera settings, how to set up a studio set from scratch, how to use 1 studio light to make magic, how to use reflectors and polyboards to shape light, how to shoot film and digital in the studio.

Q and A.

#### Includes:

Lesson notes to keep + a 40% discount on a studio + lighting booking with a free lighting assistant.

#### Bring:

Your film or digital camera with a hotshoe + SD card / film to shoot with  
Your laptop or a note book

#### Lesson Plan:

1. Paper Rolls + C-Stands + Polyboards
2. Camera settings in studio
3. 1 light set up with an octabox + bare head/reflector
4. Using Polyboards and reflectors to shape light
5. Q+A

## LIGHTING WORKSHOP B – 4HRS

### BEGINNER > INTERMEDIATE

A building block from WORKSHOP A - or suited to those who know the basics and want to learn more. We'll teach you how to use 2 lights, what different light shapers do and when to use them, hard vs soft light, with guided studio practice time.

Q and A.

#### Includes:
