# *event details*

Our unique space is housed in a mixed use building, meaning we have residential neighbours and some limits on the events we can hold.

info to note:

1. We can only hold events with medium level ambient music playing - no louder than loud conversation. We can have a DJ, but no dancefloor!
2. We ask that guests create a smoking area across to the left side of the building, and not block our front building entrances.
3. We have a maximum capacity of 60 guests comfortably.
4. We ask all rubbish be removed, otherwise we can dispose of it for you for a flat \$300+GST fee.
5. We do not hold a liquor license, therefore no alcohol can be sold on our premises. Food may be, but will require a council permit approved prior.
6. Latest finish time is 9pm sharp, to respect our neighbours.

Have our team document your crowd + experience!

Our special in-house rates for events:

\$250+GST for 50 images  
\$350+GST for 100 images

We'll capture your guests, drinks, DJ, product + vibe and anything else you'd like.
